

The background of the slide is a collage of several hexagonal images showing people at a conference or event. In the top left, a group of people are standing and talking. In the top center, a man and a woman are smiling and looking at each other. In the top right, a woman is holding a glass and a man is raising his hand. In the middle left, a woman is holding a yellow football helmet. In the middle right, a man is looking at a laptop. In the bottom left, a man is giving a presentation. In the bottom center, a man is speaking into a microphone.

# OFFERS CONTENT CREATION, LEAD GENERATION, & BRANDING

Featuring insights from world-class executives and exclusive research, the reports dive deeply into pressing CX and contact center topics. New reports - each focusing on a unique topic.

## LEAD SPONSOR (LIMITED TO 1)

**\$25,000**

A senior executive from your company will be interviewed by one of our CCW Digital Analysts. These thoughts and comments will be incorporated throughout the report and be the only quoted vendor in the report. You will have the opportunity to supply links to your company's homepage or relevant whitepapers promoting your work. Your Company logo will be on the front page of the report, and leads will be emailed out to solution providers on a weekly basis.

## PRODUCT REVIEW **\$7,500**

Confident you have an industry-leading technology? This is your chance to prove it - before an audience of 150,000.

- 1000-word review on dedicated section on CCW Digital
- Follow-up article detailing progression and success stories.
- Banners for product to run on CCW Digital website and newsletter for 4 weeks.
- Social media promotion

Additional opportunities include on-site recognition at live CCW event and/or remarketing campaign.

## VENDOR PROFILE **\$7,500**

Share your company's story - and why you're a perfect fit for today's customer contact decision-makers.

- Podcast interview with a subject matter expert from your company.
- One-page brief detailing your mission, value proposition and success stories.
- "Vendor of the month" feature in CCW Digital newsletter
- Social media promotion

## INDUSTRY INTELLIGENCE **\$15,000**

Let the world know that you're an authority on pivotal topics like automation, customer experience, contact center performance and analytics!

- Annual reports highlighting CCW Digital's exclusive research and analysis of our most-demanded topics.
- Technology-minded foreword by CCW Digital analyst team.
- Branding and calls-to-action in each report.
- Inclusion on CCW Digital website and newsletter.

## USER CONFERENCE COVERAGE

**\$10,000**

We have developed a promotional package which we think can effectively promote and support your event to our 150,000 CCW Digital Members

- A CCW Digital Analyst will speak at or moderate a session at your event. Topics, themes and session abstract will be developed in partnership with CCW Digital (dependent on availability)
- Social media coverage and promotion on CCW Digital LinkedIn twitter and Facebook group etc.
- Banner rotation on the website for 2 weeks prior to the event
- Editorial coverage of the event (dependent on number of interviews and caliber of the speaker faculty)
- A post show report (see attached example) covering some of the main topics, themes and events around the event for you to promote to your attendees. CCW Digital will also release this post show report on our website and in our weekly newsletter
- Travel and accommodation (if required) will be covered by the sponsor

In addition to producing a wealth of material for CCW Digital, the Analyst Team supports solution providers' independent content and marketing initiatives.

## Speaking Engagements

CCW Digital Analysts participate in a variety of speaking engagements. These include hosting webinars, delivering keynotes or moderating panels at user conferences, and speaking on behalf of solution providers at industry events.

## Content Development

CCW Digital Analysts provide forewords for research reports, books and other published works.

## Advisory Support

CCW Digital Analysts coach marketers, sales representatives and subject matter experts on how to present their products to the marketplace.
